COMMUNICATION

Please see the attached Notification of Loss of Entitlement to Small Entity Status filed electronically via PAIR on April 16, 2010 in connection with the above identified patent. The attached Notification includes a request to charge our deposit account no. 50-1283 in the amount of \$490.00 to cover the unpaid remainder of the 4th year large entity maintenance fee. The attached Notification was timely filed in advance of the April 20, 2010 surcharge date for this maintenance fee payment.

Our records indicate that the additional fee of \$490.00 has not been charged to our deposit account no. 50-1283, and on reviewing the case via PAIR, the Bibliographic Data lists the Entity as Small.

Patentees' attorney requests the Entity Status be changed to Large, and the unpaid remainder of the large entity maintenance fee of \$490.00 be processed.

The Commissioner is hereby authorized to charge any required fees and to credit any overpayments to Cooley LLP's deposit account No. 50-1283.
